

Announcing John's New Two-Day Seminar

Building Wealth One House at a Time

John's best-selling 2005 book, *Building Wealth One House at a Time*, was just the beginning. John has completely re-written the 3-day seminar he taught for 30+ years ("Making It Big On Little Deals") and his new course is geared for investment success in the current economy.

Join John for this new 2010 class designed to help you find and buy quality houses at wholesale prices and on terms that will allow you to have cash flow from the first day.

Learn the nuts and bolts of how to

- negotiate for
- finance
- manage
- and sell houses.

Get hands-on experience in finding sellers who will make you a good deal.

The class size is limited; please register early to reserve your opportunity:

Single Registration \$549, Two Registering together \$950
